AWARD**

The **NSW Early Childhood Environmental Education Network** invites you to enter your project case study before the 31st December 2006 for your chance to win **The SPROuts Practice Award** and **\$500** for your Service!

What is the award? NSW ECEEN aims to support and acknowledge those Early Childhood Services in NSW who are demonstrating outstanding commitment to promoting environmental best practice and sustainability. Each project case study will be posted on NSW ECEEN's website so you can share your environmental achievements with the network, and at the same time provide inspiration to others wanting to find meaningful ways to help children connect with nature. The award winning entry will receive a prize of \$500 to put towards future environmental projects or resources.

How do I enter? All you have to do to enter is complete the attached project case study form and send into NSW ECEEN by the 31/12/06.

Need help? We know you all are very busy at this time of year so to make the process easy NSW ECEEN's Project Officer, Julie Gaul, will be available to help you to complete your case study form via a short interview over the phone. To organise a time for an interview or just to find out more Ph (02) 9398 4374 or email nsweceen@earlychildhood.org.au
