

Membership

Early Childhood Australia's capacity to do its work is dependent on its membership.

Membership is about advocacy

Membership fees include an **advocacy contribution** that enables us to influence many significant issues relevant to the care, wellbeing and education of young children in Australia:

- Promoting quality practices in early childhood services.
- Lobbying for improved staff-child ratios in children's services.
- The development and revision of the *ECA Code of Ethics*.
- Focusing on future policy changes to further enhance the care and education of young children in the wider early childhood sector.

Your membership strengthens our voice.
