A voice for young children

ECA WA Branch Meeting

DATE: Tuesday 16 August 2011

TIME: 6.00- 7.00 pm (light refreshments)

PLACE: NGALA (Formerly, The Gowrie), 275 Abernethy Road, Cloverdale

Keeping kids safe

Kidsafe WA is the leading non-government, not-for-profit charitable organisation dedicated to the prevention of unintentional childhood injuries. Kidsafe WA provides families, communities and schools with information on the causes of and risk factors for injuries in the home, road, playground and school; as well as prevention strategies.

The Kidsafe WA Playground Advisory Service offers a range of services to help create and maintain play spaces that support children's development, learning, health and wellbeing while reducing the risk of serious injury.

Kerry Logan from the Playground Advisory Service recently spoke at the International Play Association Conference in Cardiff, UK about a research project Kidsafe WA has undertaken this year looking at outdoor play provision in regional/remote North West Western Australia.

You are invited to come along and listen to Kerry as she gives an overview of the range of services offered by Kidsafe WA, discusses the experience of attending the Cardiff conference and talks about the latest international trends/influences on playground design and children's opportunities for play.
