

Dr Ana Mantilla

Dr Ana Mantilla completed her doctoral studies in early childhood education at Monash University in 2012. She is a Senior Research Associate for the Learning Sciences Institute Australia at Australian Catholic University. Ana works within the Early Childhood Futures Research Concentration (directed by Professor Susan Edwards), which focuses on innovative studies that examine the role of play-based learning in building young children's knowledge outcomes for the twenty first century. Ana is currently research managing an Australian Research Council (ARC) Discovery Project on digital play and an ARC Linkage Project on a best practice framework for playgroups in schools.
