

Anita L'Enfant

Education Consultant Anita L'Enfant has more than 20 years of practical teaching experience in early childhood, primary, secondary and tertiary education. Her mission is to transform education by empowering educators everywhere to foster child-centred learning and creativity using technology.

Anita supported one of the first Laptops for Teachers programs in the UK, and recently worked alongside iDigital Consulting to improve leadership, pedagogy, technical support and learning spaces as part of Brunei's 1:1 Computing in Model Schools initiative.

Anita has a wealth of knowledge, practice tips and educator shortcuts for using technology well with young children.
