

Michelle Gujer

Michelle is the Manager of the Children's Program at Gowrie Victoria-Broadmeadows Valley. With 30 years in management, early childhood services and the training and health sector, she's deeply committed to fostering the development of educators through supportive leadership, mentoring and shared decision making. Michelle believes that a strong commitment to building community partnerships and engagement—and relationships that acknowledge families as children's first educators—are fundamental to enriching a community approach, to supporting teaching and learning, and ensuring best possible outcomes for everyone.
