

ECA FAR NORTH COAST MASTERCLASS

SATURDAY 16 MARCH 2024 | 9AM TO 3PM

MANTRA ON SALT BEACH | KINGSCLIFF

Our presenter for the day is Marina Bailey

Marina Bailey is a registered psychologist who advocates for person and family centred practice. Marina will give educators and teachers increased knowledge of early intervention and autism and support educators to further develop their skills in behaviour support and reflective practise. Marina works from an evidence based, capacity building model and is passionate about creating environments which support and respond to the learning needs of all children and to work with the strengths of individuals within those environments – including the child, family, and educator.
